**Subject:** Urgent - You Emailed me a Corrupted 0-Byte Court Order (Case No. 26-102221-PP)

Clerk Wade and the Wayne County PPO Department:

Further to my previous mandate regarding my execution of Alternative Digital Service, I must formally notify you of an administrative error in your 4:14 PM transmission. You attached three files. **The file titled Conrad Rockenhaus Show Cause hrg notice.pdf has a file size of exactly 0K. It is a corrupted, completely blank, zero-byte file.**

**You have instructed a disabled domestic violence victim to serve a violent, drug-fueled transient who threatens her and her family daily with an empty placeholder document.** I cannot execute the required legal service procedures with a blank file.

Please reply to this email with an uncorrupted, readable PDF of the Judge's Show Cause Order so that I can attach it to the digital "Actual Notice" service I am executing to the Respondent's active email for service.

Adrienne Rockenhaus Petitioner, Case No. 26-102221-PP

**Please use the email address listed on your hearing documents when contacting the court regarding any concerns. Do not use or reply to this email, as it is a private email account and any documentation sent here will not be distributed or reviewed.**

*[Author note: Kimberly Wade's official response to sending Adrienne Rockenhaus a corrupted death-trap document was an automated disclaimer and a reprimand for using the clerk's email address. It perfectly highlights the depraved, checklist-obsessed malice we are exposing.]*
